Save the Endangered Species Act TODAY!

 **Important Notice:** This document contains confidential information. It is intended solely for your personal use. If you are not the named addressee, please do not open or distribute it. If you have received this message in error, please notify the sender immediately.

MOSES Members,
The Following Action Alert was sent by one of our key
advocacy partners, Mass Audubon.
MOSES has about 20 wildlife biologist who work daily to
protect these important endangered and threatened
animal species.
Please read and take action !

On June 14, the Joint Committee on Environment approved Senate Bill 1854, *An Act relative to land takings* (filed by Senator Gale Candaras). The bill has been sent to the House of Representatives for consideration. The redraft will:

- This unfunded agency mandate would create an unworkable system leaving endangered species unprotected. To learn more, read the [letter in opposition signed by 72 conservation and sportsmen's organizations](#), which includes a bill summary and FAQ.

PLEASE ACT NOW!

Find out who your legislators are and how to contact them here: www.malegislature.gov/People/FindMyLegislator

1

Thank you for stepping up to protect endangered species!
